

Konikowo, 10.06.2021

## REFERENCE LETTER

To Whom It May Concern,

Total Wind PL sp. z o.o. hereby confirms that ELMAX-GLIWICE Sp. J., at our order, performed electrical measurement works on a wind farm in Germany during February of 2021. The works were executed professionally, in compliance with applicable standards and provisions of law, and met our expectations in terms of quality and timeliness.

While performing their tasks ELMAX-GLIWICE Sp. J. employees have demonstrated their attention to detail, quality and safety on a number of occasions. They are highly committed to their work. Furthermore, it is clear that the policy of this company is to strive for the highest safety standards.

The team at ELMAX-GLIWICE Sp. J. has been able to effectively meet project schedule requirements. The management has been able to quickly adapt to schedule changes from other subcontractors in order to keep on time and be aligned with the overall project timetable.

In addition, ELMAX-GLIWICE Sp. J. has been exceptionally accommodating when dealing with unforeseen conditions and potential change of orders.

Considering the above, we recommend ELMAX-GLIWICE Sp. J. as a reliable and dependable partner for future prospective clients. We look forward to working with them again.

Sincerely,

  
Michał Magda  
Chief Operating Officer  
COO
